## **Product Description**

With its layered, diamond encusted shoulders, Arielle's intricate pattern recalls the opulent embroidery on a princess's gown or the shimmering scales on a mermaid tail. Arielle appears to have come from the realm of magic and imagination, but on your hand, it's a sparkling reminder of something real. Can be custom made to fit any shape center stone. Hand crafted in either Platinum, 18K Gold or 14K Gold.
