Product Summary

Think Big. The Carly Engagement Set is a clean & classic channel set design.

Product Description

Think Big. The Carly Engagement Set is a clean & classic channel set design. By alternating stunning step cut carrae diamonds with straight, step cut baguette diamonds, it gives you that clean, yet flashy look to that can't-be-missed center stone. A seamless fit in a timeless style, our Carly Wedding Band was designed to match beautifully with our Carly Engagement Ring. Hand crafted in either Platinum or 18k Gold.
